Already switched?

We'd love to say thanks with special offers on a new TSB credit card.

If you've already switched your main current account to TSB using the Full Switching Service, then we'd like to show our appreciation with these special offers on a TSB credit card, subject to eligibility.

Whether you're a shopper, a traveller or you want to save with a balance transfer, we've a credit card that could be just right for you, with a balance transfer fee refund and bonus shopping or travel rewards.

Choose your card, choose your rewards.

These special TSB credit card offers are only available to eligible TSB customers who have switched to a TSB current account using the Full Switching Service.

You:

- Successfully open a TSB current account and use the Full Switching Service to make it your main current account.
- Then successfully open your choice of one of the eligible TSB credit cards.
- To remain eligible for these offers, you must stay within your credit limit and make your payments on time each month.

The offers corresponding with your chosen card then work as follows over the next three pages.

Borrow well.

Borrowing well basically means borrowing in the way that makes the best financial sense for you.

Sometimes unforeseen expenses occur like fixing a broken boiler or buying a new part for the car. Having a credit card is great when you want to spend now and settle later.

Responsible borrowing is a fundamental part of the lifeblood of our economy, helping people to get on and thrive, along with the local economies they're part of.
