Credit cards are designed to be a flexible form of borrowing. Paying the minimum amount every so often can help you manage your money more effectively, although we would not recommend that you make minimum payments for a long period of time once your promotional offers have ended. Once your account is open, you can set up a Direct Debit for any fixed amount over the minimum payment by calling **0345 603 1802**. Lines are open 24 hours a day, 7 days a week.

For longer term borrowing it may be more appropriate to choose a loan from us. If you would like to find out more about this you can call TSB Personal Loans on **0800 111 4170**, or visit [www.tsb.co.uk/loans](http://www.tsb.co.uk/loans) or call into a TSB branch, where our staff will be happy to help.

The following example highlights the difference between only paying the minimum and paying a fixed amount:

For a purchase of £1,200 on your TSB Platinum Purchase Card...

Monthly payment	If you pay the minimum payment each month	If you pay £50 each month
How much interest will you be charged in the first year?	£0	£0
How much interest will you be charged in the second year?	£177.53	£102.13
How long would it take to clear the balance?	19 years 10 months	2 years 7 months

The above example assumes the following:

- The transaction takes place on 1 January and you make no further transactions.
- You always make the payment each month on the 15th.
- Your statement is produced on the 1st of each month.
- You are on the best rate available.

TSB is a responsible lender and we only want you to borrow what you can afford and in a way that is best for you. If you'd like to talk to us about the choices you've made or would like advice, we will be happy to refer you to a member of staff who will be able to help you. They will also be able to help you if you're experiencing financial difficulties.
