

PERSONAL BANKING

Getting ready for university

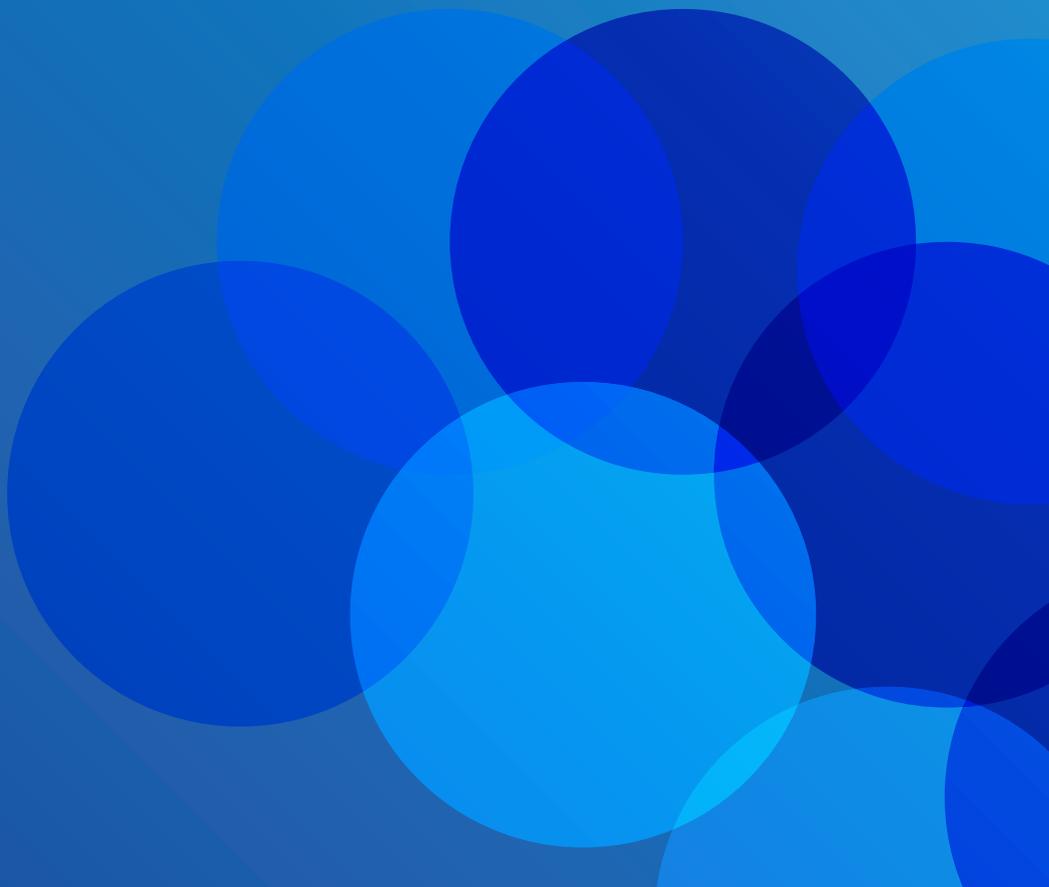

Our account benefits really stack up

The TSB 2013/2014 Student Account

Heading off to university or college is an exciting time. That's why our Student Account is packed with smart things that help you keep on top of your finances.

From an interest and fee-free tiered overdraft, to great money saving offers. The TSB Student Account offers everything you need to make sure you get the most out of your time at university or college.

What's included

- Up to £1,500 interest and fee-free tiered Planned Overdraft subject to application, status and approval. Get up to £1,500 in years one to three and up to £2,000 in years four to six (you must be 18 or over to apply).
- TSB Visa debit card, to use at home and abroad.
- TSB Student Credit Card, a helping financial hand when you really need it.
- Option to sign up for Save the Change® makes saving effortless, by helping you save every time you use your Visa debit card.

Smart ways to manage your money

You can register for Internet Banking, Mobile Banking, Telephone Banking and Money Planner. Once registered for Internet Banking you can access Mobile Banking on your mobile phone. You can also set up a range of Text Alerts via Internet Banking, over the phone or in branch. Manage your money 24 hours a day, seven days a week. Although we don't charge for Mobile Banking, your mobile operator may charge for some services, so please check with them.

To get the most from your account remember to take full advantage of all the benefits on offer. You'll find full details on pages 3 to 10.

Help with managing your money. Up to £1,500 interest and fee-free Planned Overdraft

An overdraft can be Planned or Unplanned. Planned Overdrafts mean you agree a maximum borrowing limit with us in advance. An Unplanned Overdraft is where you use more money than is available in your account without asking us first.

You can apply for an interest and fee-free tiered Planned Overdraft* of up to £1,500. In your first year at university you can apply for an overdraft of up to £500 for the first six months, you can then apply to increase it up to £1,000 in months seven to nine. From month 10 you can increase it up to £1,500 – helping you to manage your spending over your first year.

We also offer an interest and fee-free untiered Planned Overdraft of up to £1,500 in years two and three, and up to £2,000 in years four, five and six.

If you borrow more than your interest and fee-free limit, but are still within your Planned Overdraft limit, you'll pay a monthly overdraft charge each time you go above your interest and fee-free amount. This means you will also pay interest on the difference.

Representative Example: If in year 3 of your Student Account you use a Planned Overdraft limit of £1,600, the overdraft interest rate we charge on the first £1,500 will be 0% EAR* variable and a Monthly Overdraft Usage fee will not apply. The overdraft interest rate on the next £100 will be 16.8% EAR* variable. A Monthly Overdraft Usage fee of £6 will apply. EAR is the equivalent annual rate. This is the actual annual interest rate of an overdraft. It doesn't take into account fees and charges.

For tips on how to manage your money see our Savvy Student guides which include useful advice and guidance about how to manage your money whilst at university and beyond visit www.tsb.co.uk/savvystudents

* Overdrafts are available subject to application, status and approval. They are repayable on demand. You need to be 18+ and a UK resident to apply.

Using your TSB Visa debit card

Using your TSB Visa debit card is fast, easy and convenient and it's safer than cash.

It's perfect for travelling – you can use it for eating out, taking cash out at an ATM, in a bureau de change or a local bank displaying the Visa symbol, and it's accepted at millions of outlets worldwide. You can also use it to get up to £50 cashback at most supermarkets.

If you use your Debit Card abroad or for foreign currency transactions in the UK then charges apply. Please see the Banking Charges Guide for further information.

Travelling abroad. Your money won't go travelling unless you do

Let us know your travel dates and where you're heading before you leave – that way we know to expect overseas transactions on your account. Pop into your local branch or call **03459 758 758** and make sure we have your best contact number or mobile number before you go. Plus, register for and receive a Text Alert when your TSB Visa debit card is used abroad, so if it wasn't you, you can do something about it straight away.

We'll tell you whether it was used to withdraw from a cash machine or make a purchase (including those made online, over the phone or by mail order to companies overseas).

Then, if you believe someone else made the transaction without your knowledge, you can call us on **03459 758 758** or if you're calling from abroad +44 (0) **20 3284 1575** – save this number to your mobile in case you need to talk to us when you are away.

Smart ways to manage your account

Your Student Account comes with lots of smart ways to help you stay in control of your money. Whether it's keeping a closer eye on your balance, or making payments on the move, we give you all you need to stay on top of your finances.

Internet Banking

Internet Banking gives you access to your accounts 24 hours a day, seven days a week. It's secure, easy to use, and lets you do your banking whenever it suits you.

With just a few clicks of the mouse you can:

- Check your up-to-the-minute balance.
- Pay your bills.
- Transfer funds between your TSB accounts.
- Set up, view and cancel standing orders.
- Order your Travel Money.
- Make International Payment.

To register for Internet Banking, simply go to www.tsb.co.uk/IBreg or visit any branch and staff will be able to help you register.

Mobile Banking App

You can view your balances, make payments and transfer money with our Mobile Banking app. Simply download it to your smartphone to manage your finances on the go. Or you can log on to Mobile Banking through your mobile browser, using your Internet Banking details.

We don't charge for Mobile Banking but your mobile operator may charge for some services, so please check with them. You must be registered for Internet Banking. Services may be affected by phone signal and functionality. Terms and conditions apply.

Text Alert Services

Register for a range of Text Alerts, via Internet Banking, over the phone or in branch, to help keep an eye on your balance and much more.

Limit Alerts We can send you a text to let you know when you're near or over your account limit, to help you avoid any Unplanned Overdraft fees.

If you do go over your limit, simply pay in enough money to cover all your payments by 3.30pm (UK time) the same day and you won't pay any Unplanned Overdraft fees. The money needs to be in cleared funds, so you could pay in cash or transfer money from another personal account you have with us using Mobile Banking, Internet Banking or Telephone Banking.

High and Low Balance Alerts You can also set your own alerts to let you know when the money in your account falls below – or rises above – the limits you choose.

Overseas Transaction Alerts For added security when your Visa debit card is used abroad, we'll text to tell you whether it was a purchase or withdrawal from a cash machine. This should make it easier for you to spot any fraudulent transactions on your account and give you time to tell us about them.

Weekly Balance Alerts Receive a weekly text with your balance and last six transactions on the week day and at the time you choose, so you can keep up to date with your finances.

Please note that although you can give us instructions 24 hours a day, seven days a week through Internet Banking, Mobile Banking and Telephone Banking, some of those instructions cannot be processed until the next working day. For example if the instruction is given after 10pm or at weekends or Bank Holidays.

We don't charge you for Mobile Banking but your mobile operator may charge you for some services, please check with them. Services may be affected by phone signal and functionality. The Mobile Banking app's Branch and ATM finder is available to all. Other Mobile Banking services are only available to our UK personal Internet Banking customers and registration may be required. Terms and conditions apply.

Text Alerts (other than Overseas Transactions Alerts and Weekly Balance Alerts) are sent before 10am UK time Monday to Friday (excluding Bank Holidays).

Telephone Banking

Our Telephone Banking service is quick and easy to use and is available 24 hours a day, seven days a week. When you call you have the choice of using our fast automated service or speaking to an advisor. You can register by calling the Telephone Banking number: **03459 758 758** and asking an advisor to send you a 6 digit Security Number in the post.

With just one call you can:

- Check your current balance.
- Pay your bills.
- Transfer money between your own accounts or to another person.
- Find out what's gone in and out of your account.
- Set up standing orders and check Direct Debits.
- Order your Travel Money.

Not all Telephone Banking services are available 24/7, please speak to an advisor for more information.

£10 Buffer

If you go over your interest and fee-free Planned Overdraft limit by £10 or less or use an Unplanned Overdraft of £10 or less we won't charge you any overdraft fees or interest. But if you go over by more than £10 then you will be charged fees and interest.

Grace Period

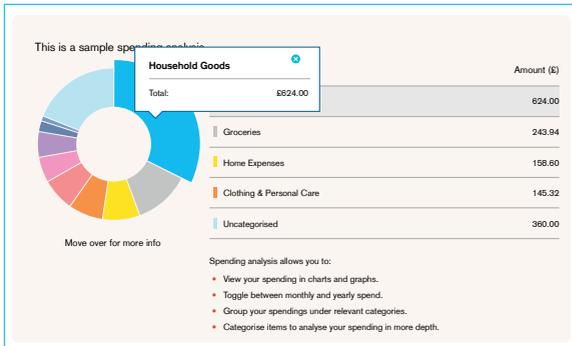

Our Grace Periods mean that you have until 3.30pm (UK time) to pay in money to avoid any overdraft fees you may incur that day. The money needs to clear the same day, so you could pay in cash or transfer money from another personal account you have with us using Internet, Telephone or Mobile Banking.

Money Planner

A smart online service that lets you keep track of your spending*.

With Money Planner you can keep track of your spending across your TSB personal current and credit card accounts. It's a free service and it's easy to use – you just need to be registered for Internet Banking. You'll be able to see at a glance what you're spending your money on and where. Just log onto Internet Banking and click on the Money Planner banner on the 'Your Accounts' page. Once it's activated, you'll be able to view up to two years of spending.

* Money Planner is provided to help you manage your personal finances and is not intended to provide legal, tax or financial advice. Terms and conditions apply.

If you have both your personal current and credit card accounts with us, your information is in one place so your incoming and outgoing payments can be seen at the same time.

For further information visit
www.tsb.co.uk/moneyplanner

Save the Change®

It can be hard to save when you're a student, but Save the Change® is a simple everyday way to save for the things you want. You could forget you're even doing it.

- Sign up for Save the Change® and every time you make a purchase with your TSB Visa debit card, the difference will be rounded up to the nearest pound and transferred into your nominated savings account the next working day. We will only do this if your account is in credit†.
- Use your card to buy things big or small, from coffees and sandwiches to your weekly shopping. You'll soon discover that your small change will start to add up.

How to register:

All you need is a TSB Current Account and an eligible TSB Savings Account. The TSB Savings Accounts that are not eligible to receive Save the Change® transfers are currently: TSB Monthly Saver; ISA Products and Fixed Products.

- The easiest way to register for Save the Change® is through our Internet Banking service at www.tsb.co.uk/savethechange
- To find out more about our range of Savings Accounts ask at any branch, call us anytime on **03459 758 758** or visit www.tsb.co.uk

† Save the Change® does not apply to over the counter cash advances, ATM withdrawals or fees charged for non-TSB ATM transactions.

Applying for a Student Account is easy

You can apply at any branch. Take a look at the table to see exactly what you'll need to apply.

1. Proof of ID

Such as a driving licence or passport.

2. Proof of your address

Anything official with your name on it, that's less than three months old (except a mobile phone bill), such as a bank statement or a letter from a university, college or UCAS.

3. Proof of your student status

We'll need your UCAS confirmation of place letter (usually issued after your A-Level or Higher results during August). Or if you don't have this, a letter from your university or college confirming your place.

Please don't worry if you don't have any of the items listed above, as we may be able to accept other items. For more information ask in any branch or call us.

TSB Student Credit Card

Money may be tight if you are waiting for your wages or your student loan to come through. A credit card can add a bit of extra flexibility to how you manage your money, as well as offering a convenient and secure way to pay.

We understand just how important it is that you know exactly where you are with your finances, so we've made sure our credit card has got all the services and features you need to keep you fully informed. All this means that a credit card is a great way of managing your money, not just spending it.

Take advantage of a flexible, convenient and secure payment type

- Make payments in a way that suits you.
Set up a Direct Debit for your payments, if you pay your full balance in time each month you won't pay any interest on purchases you make.
- Spend with confidence, online, by phone or in shops. Credit card transactions have greater protection than other types of payments.
- Set travel flags before you travel abroad to help avoid your card being declined unnecessarily.
- If your card is used in an unusual place or an odd way, we will get in touch with you to double check that it is alright with you.
- Review your spending habits with our new online Money Planner tool (see page 7 for more details).
- Our free Text Alerts give you peace of mind when you manage your account, such as letting you know when we have received your payment every month and letting you know when your statement is on its way.
- Manage your account online, by phone through our UK call centres or in branch.

Representative example:

Purchase rate:

19.94% p.a. (variable)

Representative:

19.9% APR (variable)

Based on borrowing:

£1,000 over 12 months

Credit limits will vary based on your individual circumstances.

How to apply

You can visit a TSB branch.

Call **0800 015 0015**

(Mon–Fri 8am–9pm, Sat & Sun 8am–4pm).

TSB Student Credit Card, the plain and simple facts

It's always good to know exactly where you stand. So we've put together a table to give you a clear summary of all the key credit card features. For more detailed information, take a moment to read the product terms and conditions.

Summary Box – Student Credit Card			
The information contained in this table summarises key product features and is not intended to replace any terms and conditions.			
APR	Representative 19.9% APR variable		
Interest rates		Introductory rate	Monthly rate
	Purchases	Not applicable	1.527%
	Cash Withdrawals	Not applicable	1.527%
	Balance Transfers	Not applicable	1.527%
We may apply the standard interest rate during any special promotion period to any transaction if in any month you do not make at least your minimum payment by the minimum payment date or if you exceed your credit limit at any time.			
Interest-free period	<ul style="list-style-type: none"> • Maximum 56 days for purchases if you pay the full balance shown on your previous and current statement on time. • There is no interest-free period for balance transfers and cash withdrawals. 		
Interest charging information	You will not pay interest on new purchases if you pay the full balance shown on your previous and current statement on time. Otherwise, the period over which interest is charged is as follows:		
		From	Until
	Purchases	date debited to your account	paid in full
	Cash Withdrawals	date debited to your account	paid in full
Balance Transfers	date debited to your account	paid in full	
Allocation of payments	If you don't pay your balance in full we will allocate payments to balances with the highest interest rate before balances with lower interest rates. See section 6.1 of the terms and conditions for full details.		
Minimum repayment	An amount equal to the total of interest, default charges and 1% of the balance shown in your statement (minimum £5, or the full balance if less than £5).		
Credit limit	Minimum credit limit	£500. Your cash limit is 50% of your actual limit.	
	Maximum credit limit	£1,000. Subject to status.	
Fees	No annual fee		
Charges	Cash withdrawals	3% or minimum £3.	
	Balance Transfers	3% for each individual Balance Transfer.	
	Copy statements	£6 for copies of non-current statements.	
	Copies of transactions	£5 for each copy of a record of a transaction.	
Foreign usage	Payment Scheme Exchange Rate	Indicative rates can be found at www.mastercard.com/global/currencyconversion/index	
	One or more of the following may apply:		
	Non-sterling transaction fee	2.95% of the amount of the sterling transaction value.	
	Cash fee	3% or minimum £3.	
Default charges	Late Payment charge	£12.	
	Returned Payment charge	£12.	
	Overlimit charge	£12.	

These details are correct on 1 January 2013.

Credit cards are designed to be a flexible form of borrowing. Paying the minimum amount every so often can help you manage your money more effectively, although we would not recommend that you make minimum payments for a long period of time. Once your account is open, you can set up a Direct Debit for any fixed amount over the minimum payment by calling **0345 835 3856**. Lines are open 24 hours a day, seven days a week.

The following example highlights the difference between only paying the minimum and paying a fixed amount:

For a purchase of £1,000 on your Student credit card:

Monthly payment	If you pay the minimum payment each month	If you pay £50 each month
Without taking into account any introductory rates, how much interest will you be charged in the first year?	£175.23	£151.74
How much interest will you be charged in the second year?	£155.11	£61.56
How long would it take to clear the balance?	18 years 5 months	2 years 2 months

The above example assumes the following:

- The transaction takes place on 1 January and you make no further transactions.
- You always make the payment each month on the 15th.
- Your statement is produced on the 1st of each month.
- This is a simple example and does not account for any annual fees or introductory rates.

TSB is a responsible lender and we only want you to borrow what you can afford and in a way that is best for you.

If you'd like to talk to us about the choices you've made or would like advice, we will be happy to refer you to a member of staff who will be able to help you. They will also be able to help you if you're experiencing financial difficulties.

For longer term borrowing it may be more appropriate to choose a loan from us. If you would like to find out more about this you can call TSB Personal Loans on **0800 111 4170** or visit www.tsb.co.uk/loans or call into a TSB branch, where our staff will be happy to help.

Student Account Terms and Conditions

Our agreement with you is made up of general conditions (contained in the Personal Banking terms and conditions leaflet) and additional conditions. These include the conditions below and the Banking Charges Guide which contains our standard fees. If there is any overlap or conflict between the additional conditions and the Personal Banking terms and conditions, the additional conditions apply.

Eligibility

To have a Student Account you must be 17 or over, have been resident in the UK for at least three years and be studying for a full time course that lasts for a minimum of two years or be on a one year access course leading onto a full time degree.

You can only have one Student Account with us in your sole name and you cannot have a Student Account with another provider.

You must tell us if you are no longer eligible for the account, for example, if you leave your course.

When you are no longer eligible for the Student Account, for example you graduate from your course or after a maximum of six years, we will convert your account to a Graduate Account, unless you make alternative arrangements with us. If you are not eligible for a Graduate Account (for example you leave full time study before graduating) we will convert your account to a Classic Account (or similar account if it is no longer available). Once your account is converted, the benefits connected with your Student Account will stop.

Where we change your type of account we will tell you before making the change and will give you the details of your new account.

Overdrafts

Planned Overdraft

In your first year you can apply for an interest and fee-free tiered Planned Overdraft of up to £1,500 (subject to status and approval). You can apply for up to £500 for the first six months, up to £1,000 in months seven to nine and up to £1,500 after that. In your second and third year at university, you can apply for an interest and

fee-free Planned Overdraft of up to £1,500, and in years four to six you can apply for a Planned Overdraft of up to £2,000. In all cases, you need to apply for your Planned Overdraft and each of the increases.

Unplanned Overdrafts

If you go overdrawn unexpectedly we may agree to cover your payments with an Unplanned Overdraft. There are charges for this – see our Banking Charges Guide for details. If you have an overdraft when your Student Account is converted to a different account, then the interest rate and fee for that account will apply from the date your account is transferred.

Cooling off

If you are not happy with the choice of account or service, you can cancel it within 30 days of opening the account or taking the service. We will then help you to move to another account we offer or will return your money to you.

Your Student Account benefits

As a Student Account holder you are eligible to apply for the benefits set out below.

Mobile Banking

If you register for Text Alerts through our Mobile Banking service we'll send you a pack with full details of the service. For more information and full terms and conditions, or to register for Mobile Banking Text Alerts please call Telephone Banking on **03459 758 758** or visit www.tsb.co.uk/mobileservices

Overdrafts and Credit Cards

How much we lend, if any, and the issue of a Credit Card is subject to application and depends on our assessment of your personal circumstances. You must be 18 or over, and resident in the UK, to apply. Overdrafts are repayable on demand.

You will need to apply for your Planned Overdraft at your local TSB branch, Telephone Banking (**03459 758 758**) or online if you are registered for Internet Banking (www.tsb.co.uk)

TSB Visa debit card

- Once you receive your TSB Visa debit card you can use it straightaway to make purchases and withdraw money at any ATM.
- If you want to change the PIN to a number that's easier to remember just follow the on screen directions at any TSB cash machine.
- You can setup recurring payments with your TSB Visa debit card. If you want to cancel these payments in the future you can tell us that you no longer consent to these payments and we will stop the payments. To cancel the next payment due to be made you do need to let us know before the end of the last working day before the payment is due to be made. You should also contact the person who you make the payment to so that they do not keep trying to take the payment and so that you can cancel the agreement which you have with them as we can't do that for you.
- There are various rates and charges associated with using your TSB Visa debit card, both in the UK and abroad. Please see your Banking Charges Guide.

Going abroad?

To use your Visa debit card hassle free when you go abroad, make sure we hold your up-to-date mobile or best contact number* by calling **03459 758 758** or update your contact details on Internet Banking if you're registered for this service. It's a good idea to save our overseas number +44 (0) 20 3284 1575 on your mobile in case you need to get in touch with us.

*Your mobile number will not be used for marketing purposes unless you've already agreed with us that it can be.

Safeguarding your account

What can I do to avoid theft or fraud?

Here are some simple rules to follow so that you're always in control of your money:

- Make sure that your chequebook and cards are safe, but don't keep them together.
- We recommend you don't write down your PIN. But if you need to write it down, disguise it so that it's not recognisable as your PIN, and never keep it with any of your cards.
- Never let anyone else know your PIN.
- Always sign your cards in ballpoint pen as soon as you receive them.
- Always be sure that before you give your bank details out that you know who you're giving them to and why they need the information.
- Ensure that you keep your Visa debit card receipts in a safe place and dispose of them carefully making sure the Visa debit card details cannot be read.
- Check your statements regularly and get in touch if you see any transactions you don't recognise.

What should I do if my Visa debit card and chequebook are lost or stolen?

You must report any theft or loss as soon as possible so that we can prevent other people from using your account. Please call any TSB branch or the TSB 24-hour Lost and Stolen Cards service on **0800 015 0030** or +44 (0) 20 7481 2567 if calling from abroad. You will receive replacement cards and/or chequebooks from us usually within five working days of notifying us.

Useful information

Paying in money at any TSB branch.

Lots of people pay in over the counter, but to save time, you can use any pay in box. Just use the special paying-in envelope and paying-in slip situated near the pay in box. We can even send you a personalised paying-in book with all your details to save you even more time – just ask a member of staff for more information.

As long as you pay cash in at the pay in box before the cut-off time of 3.30pm it'll be processed on the same day and you'll then be able to take out the money straightaway. Cheques can take up to six working days after we receive them for you to be sure the money will be available for you to use.

If you use this service after 3.30pm or at the weekend, we will start processing your payment the next working day. Please remember that weekends and Bank Holidays are not counted as working days.

What happens when I pay cheques in?

From the moment you pay in cheques of up to £1,000 over the counter at a TSB branch between 9am and 4.30pm on a weekday if you have an overdraft, we'll use the value of the cheques to reduce the interest you would otherwise pay.

For more information about when cheques you either write or pay in will be processed and the money can be accessed, please see 'Your Banking Relationship With Us' (the Personal Banking terms and conditions).

Paying bills and making regular payments from your account

How do Direct Debits work?

A Direct Debit is when you authorise a business or other organisation to collect varying sums of money from your account on a regular basis. The organisation must give you advance notice of the amounts and dates. And with all UK Direct Debit payments, you have our guarantee of a refund in case of any mistakes.

When an organisation collects a Direct Debit in the UK, the money will always leave your account and reach theirs on the same day, whichever bank they're with.

- You can set up Direct Debits to make regular payments direct from your account. You do it by authorising whoever you want to make the payment to, for example your gas supplier, to collect the payments from your account.
- When you want to end or change an agreement, just tell us. Don't forget to advise the collecting agents too.
- Should a company collect one of your payments by Direct Debit in the UK by mistake, we will refund your account as soon as we are aware there's a problem.

How do standing orders work?

A standing order is an instruction you give us to make regular fixed payments to another bank account. You can set up standing orders through Telephone Banking on **03459 758 758** or through Internet Banking. Just tell us if you need to cancel or change the payment the day before it was due to be made.

How long do my payments take?

The majority of payments made (other than by cheque and Direct Debit) to a UK bank will be processed using the Faster Payments Service with payments usually reaching the receiving account within two hours. Payments for larger amounts may take up to a day. We will advise you when you ask us to make a payment if the organisation you are sending the payment to is not a member of the Faster Payments Service.

If we cannot make the payment using the Faster Payments Service you can contact us on **03459 758 758** or call into your local branch to ask if there is any other method available to make the payment.

For more information about the time it takes to make a payment please see 'Your Banking Relationship With Us' (the Personal Banking terms and conditions).

Stopping a cheque.

If you need to stop a cheque you've written from being paid, please come into your nearest branch or call Telephone Banking on **03459 758 758** to tell us.

The UK Cheque Guarantee Card Scheme closed on 30 June 2011. As a result, we will not guarantee any cheques written and dated after 30 June 2011, even if your card has a cheque guarantee symbol.

Sending money abroad.

We offer a wide range of International Payment services that allow you to send money overseas quickly, securely and easily.

You need two codes to send money to a bank account abroad: the Bank Identification Code (BIC) and international bank account number (IBAN) of the person you are sending money to. These are similar to our sort codes and account numbers in the UK and you must have these numbers to make sure a payment is credited promptly and accurately. The person receiving the money must give you their bank details.

There are charges to use our International Services, if you'd like more information about our International Services and how long these payments take, contact our helpdesk on **0345 835 7482**. Opening Hours are Mon-Fri 9am-5pm, or telephone Telephone Banking on **03459 758 758**, 24 hours a day. You can also visit any TSB branch.

Open a Student Account today

For information visit us at
www.tsb.co.uk/students

Call us on **03459 758 758** to book an appointment, in branch, to open an account.

If you'd like this in another format such as large print, Braille or audio please ask in branch.

If you have a hearing or speech impairment you can contact us using Text Relay (previously Typetalk) or Textphone on **0345 835 3843** (lines are open 24 hours a day, seven days a week).

Calls may be monitored or recorded. If you need to call us from abroad, you can also call us on **0203 284 1575**. Not all Telephone Banking services are available 24 hours a day, seven days a week. Please speak to an adviser for more information.
