

Fleetwood Branch Closure Review

We're continuing our £250 million investment in our branches and digital services, to make sure we have the right number of branches in the right place, with the right services for our customers. We'll be improving some branches, closing others and opening new ones.

Since we launched TSB in September 2013, we've learned a lot about our customers and we know that the way you want to bank with us is changing. So we're making changes in our branches to offer better digital technology, and our Partners will always be on hand to help when only face-to-face will do.

As part of this plan, and following a careful and full review, we'll be closing Fleetwood branch in early November. There are a number of other branches you can visit, the closest one is Cleveleys. This summary will tell you more about our review.

Fleetwood Branch Closure Review

Community Engagement

TSB has been engaging with local stakeholders about the impact of the closure of the Fleetwood branch on the local community.

Who we spoke to:

- The local Member of Parliament, Cat Smith MP
- Representatives of Pharos Council Ward
- Local Citizens Advice Bureau
- Local Federation of Small Businesses
- North and Western Lancashire Chamber of Commerce
- Fleetwood Jobcentre

What we heard:

- A number of stakeholders asked about the distance that some customers would need to travel to use their nearest TSB branch, and what this might mean for vulnerable customers.
- The local Chamber of Commerce questioned the distance some small business customers would have to travel to deposit cash.

What we've done to help customers with the changes:

- We have written to all of our customers detailing the closure and alternative ways to bank with TSB. We have also displayed this information on posters in the Fleetwood branch.
- Our Partners in our Fleetwood and Cleveleys branches have also been discussing customers' particular questions and concerns, providing advice on alternative arrangements, including travel routes to the nearest branch and helping them use and register for online, mobile and telephone banking.
- We have also ensured that the Cleveleys branch is open longer hours than Fleetwood, to allow customers more time to visit the branch.
- TSB also has an arrangement with the Post Office. Personal banking customers are able to use the local Fleetwood branch to check their balance, make cash withdrawals and deposit cash and cheques.
