Important information about repaying your interest-only mortgage

Please remember to review your plan regularly during the term of your mortgage. It's your responsibility to make sure you can repay everything you owe. If you're unable to repay your mortgage you may have to sell your property so you can repay your loan. We can't provide advice on your repayment plan or give you a guarantee that it will pay off everything you owe at the end of the mortgage term; however, we can help you think about alternative ways to repay your mortgage. If you do need independent advice, please speak to a Financial Adviser.
