

Aberdeen, Torry Branch Community Engagement

We're closing our Aberdeen, Torry branch on 4 February 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Stephen Flynn
- The office of the local MSP, Maureen Watt
- The office of the regional MSP, Liam Kerr
- The Leader and Chief Executive of Aberdeen City Council
- The councillors for the Torry/Ferryhill Ward
- Local Chamber of Commerce

What feedback we received

Concerns about this closure were raised by the local MP and MSP as well as a regional MSP for North East Scotland. At the meeting with the local MP and MSP we discussed the rationale for the closure and the impact on TSB staff. The regional MSP was concerned about the closure leaving an empty retail unit in the local community.

A local councillor also wrote to TSB raising concerns about the impact on elderly customers.

What we've done

We explained how customers had changed the way they were using the branch and this was something we as a business had to respond to. We explained how we would proactively engage vulnerable customers ahead of the closure to help identify other ways to bank with us, highlighting that the nearest branch in Aberdeen, St Nicholas Street, would be able to support customers directly by telephone. We gave a commitment that TSB would do everything it could to avoid voluntary redundancy. We assured the regional MSP that our property team would be working hard to promote the vacant unit to other businesses.

We wrote to the local councillor setting out a range of steps we are taking to support vulnerable customers following the announcement.
