Repaying your balance

Credit cards are designed to be a flexible form of borrowing. Paying the minimum amount every so often can help you manage your money more effectively, although we would not recommend that you make only the minimum payments for a long period of time once your promotional offers have ended. Once your account is open, you can set up a Direct Debit for any fixed amount over the minimum payment by calling **0345 603 1802**. Lines are open 24 hours a day, 7 days a week.

The following example highlights the difference between only paying the minimum and paying a fixed amount:

For a purchase of £1,000 on your TSB Student Card

Monthly payment	If you pay the minimum payment each month	If you pay £50 each month
How much interest will you be charged in the first year?	£175.30	£150.87
How much interest will you be charged in the second year?	£155.17	£61.71
How long would it take to clear the balance?	18 years 5 months	2 years 2 months

The above example assumes the following:

- The transaction takes place on 1 January and you make no further transactions.
- You always make the payment each month on the 15th.
- Your statement is produced on the 1st of each month.
- You are on the best rate available.
