

Aylesbury Branch Community Engagement

We're closing our Aylesbury branch on 19 April 2022.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit tsb.co.uk/postoffice for more information.

- The office of the local MP, Rob Butler
- The councillors for the Aylesbury North Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP was concerned about the branch closure and the impact it would have on local people and requested a meeting to discuss these issues. At the meeting, the MP asked about the rationale for the closure and how TSB would be supporting customers and colleagues. He also raised concerns that the closure followed a number of others by TSB in recent years.

TSB was also contacted by the neighbouring MP regarding the closure, and we shared an update with his office.

What we've done

TSB met with the MP and provided additional information on the usage of the branch and outlined, in detail, the support provided to customers when a branch closes – particularly the most vulnerable. We also offered to support the MP with any constituent enquiries he may receive about the branch closure.

We explained the rationale for the closure and outlined the usage of the branch. We also noted the wide provision of alternative banking providers in Aylesbury, and that we would help customers switch their bank account from TSB to another provider if they wished.

We also discussed how all colleagues were being offered alternative roles within the bank and that discussions were currently underway with all impacted colleagues.
