

# Barrhead Branch Community Engagement

## We're closing our Barrhead branch on 29 April 2020.

In our Branch Review we've published details of how we've decided to close this branch and the local information we've gathered about the area. This was shared with our Partners and customers. You can view this at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

### Who we contacted

We shared information with key members of the local community shown below about how customers use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide everyday banking alternatives.

- The office of the local MP, Kirsten Oswald
- The office of the local MSP, Tom Arthur
- The office of the prospective parliamentary candidate, Paul Masterton
- The councillors for the Barrhead, Liboside and Uplawmoor ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizen's Advice Bureau
- Post Office®
- Lending Standards Board

### What feedback we received

The local MSP expressed his disappointment about the closure and the impact that this would have for the local community.

The local MSP also asked about the implications for existing staff at the Barrhead branch, what engagement had been undertaken with existing customers and whether there had been wider consultation with the Barrhead community prior to this decision.

## What we've done

Our Partners have met with the local MSP to discuss the impact of the closure on the local residents, its impact on staff and the rationale for the closure. We outlined the steps we are taking to support customers that continue to bank with TSB.

Partners have also been working with the local Post Office® to help support customers with everyday banking. This includes introducing customers who need additional support with their banking, to colleagues at the local Post Office®.

Partners have been talking with customers about the closure, in particular those customers who need additional support with the changes; answering questions, discussing concerns and giving advice on alternative travel arrangements and how they can get to other branches and alternative cash machines.

We'll be running workshops for all customers, which will cover:

- alternative ways for day-to-day banking
- how you can use your local Post Office® and the services available
- fraud awareness and how to stay safe and protect yourself and others
- support with bereavement or caring for a relative
- demonstrations on how to register for and use online, mobile and telephone banking

You can book a private appointment if you'd prefer which will cover everything included in the workshops.

If you'd like to book an appointment or workshop, or have any questions about the changes, including accessibility in your nearest branch, come in and see us before we close. Or you can call us on **01413 979 979\***.

Once this branch has closed, you can visit us at Glasgow, Pollok branch at 1 Braidcraft Place, Glasgow, G53 5EU, or call us on **01413 979 978\***.
