

Blackburn, Bastwell Branch Community Engagement

We're closing our Blackburn, Bastwell branch on 26 January 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Kate Hollern
- The councillors for the Bastwell and Daisyfield Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

TSB was contacted by the local MP on behalf of a customer who was concerned about the impact of the closure on local customers for whom English is not their first language, as staff at the branch speak several languages.

What we've done

We informed the MP that two TSB colleagues will be remaining within the business and that these colleagues speak other languages. At the time of writing we have been unable to provide an update on which branches these colleagues will be based at, but we committed to update the MP where these colleagues will be based and to provide the local branch phone numbers so customers can call to speak with people that they know. We highlighted the plans TSB is developing to locate a mobile adviser in the area and we also stressed the other ways that our customers can bank with us – such as at the local Post Office®.
