

Broxburn Branch Community Engagement

We're closing our Broxburn branch on 2 March 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Hannah Bardell
- The office of the local MSP, Fiona Hyslop
- The Leader and Chief Executive of West Lothian Council
- The councillors for the Broxburn, Uphall and Winchburgh Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

TSB met with the local MSP who raised concerns about the impact of the closure on vulnerable customers and colleagues. A local councillor also wrote to the bank, and while recognising the changes in customer behaviour was concerned about the impact on the high street and whether we would consider making the branch available to charities or community groups.

What we've done

We explained how we would proactively engage vulnerable customers ahead of the closure to help identify other ways to bank with us. For colleagues we explained that we hoped to make these changes in a way that involved no compulsory redundancies. We confirmed to the councilor that the branch was a freehold and our property team is working on the sale of the unit but that in the event we are not able to sell the property we would be open to making the property available to local charities on a temporary basis for short term projects.
