

Coldside Branch Community Engagement

We're closing our Coldside branch on 13 April 2022.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit tsb.co.uk/postoffice for more information.

- The office of the local MP, Chris Law
- The office of the local MSP, Shona Robison
- The councillors for the Coldside Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The MP wrote to TSB expressing concern about the closure and its impact on the local community, especially vulnerable customers. He asked for a meeting to discuss this.

The regional MSP also wrote to TSB, seeking a meeting to discuss the impact of the closure. She was seeking reassurances on how the announcement would impact colleagues.
