Known event:

Your Gold Account Worldwide Travel Insurance covers you for unexpected and unforeseen events and circumstances, for example, if you have an accident while you are on holiday and need urgent medical treatment this will be covered.

There is no cover in relation to any event, incident or circumstances if, at the time you opened your Gold account or booked your trip (whichever is later), you knew that, or you could reasonably be expected to have known that:

- the event or incident had already occurred or was going to occur; or
- the circumstances existed, or were going to exist,

and the event, incident or circumstances could reasonably be expected to affect your travel plans.

For example:

- you would be reasonably expected to know of any event, incident or circumstances that had been widely reported in the media in the UK at the time you booked your trip or opened your account (whichever is later).

- there is no cover for cancellation of your trip if your travel plans are disrupted because flights are cancelled or any government or authority closes their borders, or imposes restriction of movement and these cancellations or restrictions were in place or had been announced at the time you opened your account or booked your trip (whichever is later).

Please refer to General Exclusion 11.

Unrecoverable costs:

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or related costs which you or any insured person has paid, we will consider claims for your costs which are unrecoverable from your travel and/ or accommodation provider or agent, your debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund for some or all of the cost of your trip.

If you are not able to recover all of your costs and your circumstances are covered by the terms of your policy we will consider costs you have been unable to recover.

When you make a claim, we may ask you for:

- proof of booking and any costs paid;
- details of any refund you have been able to obtain;
- evidence that you are not able to recover your costs elsewhere.

Please check this policy booklet carefully to ensure that you understand what is and isn't covered.

Who is covered by this policy?

Cover is for the account holder(s), and their partner who lives with them (providing they are under 80 years of age) as well as their children under 12 months of age. If the account holder does not have a partner, cover is extended to include one of their unmarried, dependent children under 24 years of age and still in full time education. It gives **you** full details of what is covered, what is not covered and the limits, excesses and conditions of cover. It is the **account holder's** responsibility to ensure that all **insured persons** are aware of their responsibilities and comply with all of the policy conditions. If **you** do not comply, **we** may refuse **your** claim or reduce **your** cover in the event of a claim.

In respect of each **trip** taken during the **period of insurance**, **we** will provide the cover set out in this policy document provided:

Information and changes we need to know about.

You must take reasonable care to provide complete and accurate answers to the questions **we** ask **you**. For example, when **you** open **your bank account**, or when **you** purchase or renew an upgrade.

You also need to tell TSB if **you** move address – if this means that **you** are no longer a **UK resident** then all cover under this **policy** will end.

When **we** are notified of a change, **we** will tell **you** if this affects **your policy**. For example, whether **we** are able to accept the change and, if so, whether the change will result in revised terms.

If the information provided by **you** is not complete and accurate **we** may:

1. refuse to pay any claim; or
2. not pay any claim in full.

If **you** are in any doubt about information or changes **we** need to know about, please contact **us** on **0345 835 3834**.

 - is no longer a **UK resident**;
 - is believed to be or reasonably suspected by **us** to be acting fraudulently.
2. TSB cancels the **bank account** under one of the reasons set out in the **bank account** terms and conditions.

If an **insured person** is on a **trip** at the time an automatic termination event occurs, all cover will end when the **trip** ends.

Your cancellation rights.

This **policy** will remain in force subject to the 'Automatic termination of cover' section alongside. To cancel this **policy** the **bank account** must be closed. If it is not closed, the **policy** will remain in force until any of the automatic termination events shown occurs, or the **policy** is cancelled by **us** or TSB in accordance with the rights shown in the 'General conditions' section of this policy document.

If **you** have purchased an upgrade **you** have a statutory 14 day period in which to cancel **your** upgrade. This period begins on the date **you** receive **your** upgrade schedule. If **you** cancel **your** upgrade within this 14 day period **you** will receive a full refund of the premium paid providing **you** have not travelled or made a claim. For cancellations outside this period please refer to **your** upgrade schedule.

If **you** wish to cancel **your** upgrade, please call Gold Membership Services on **0345 835 3834**.

1. The **account holder** must have a **bank account**.
2. **You** must have taken reasonable care to provide complete and accurate answers to the questions asked when **you** opened **your bank account**.

Please note medical conditions are not covered by this **policy** unless **we** have been told about them and have confirmed that they have been accepted, or an **insured person** has only 'Accepted conditions' as shown in the 'Your health' section.

It is therefore very important that **you** read the 'Your health' section on pages 26 to 28 in this policy document.

If the information provided by **you** is not complete and accurate, **we** may refuse to pay a claim, or not pay a claim in full.

3. **Our** right to cancel:
 TSB may cancel this **policy** on **our** behalf by sending at least 62 days' written notice to **your** last known postal and/or email address setting out the reason for cancellation.
 Valid reasons include, but are not limited to, the following:
 - a) where **we** reasonably suspect fraud;
 - b) where **you** fail to cooperate with us or provide us with information or documentation **we** reasonably require and this affects **our** ability to assess a claim or defend **our** interests. See General conditions 7, 8, 9 and 10;
 - c) where **you** have not taken reasonable care to provide complete and accurate answers to the questions **we** ask as required in the 'Information and changes **we** need to know about' section in this policy document and General condition 2.

- e) General condition 15, in which case TSB will provide **you** with 30 days' notice.

If **your policy** is cancelled by TSB on **our** behalf and **you** have purchased an upgrade, **we** will provide a pro-rata refund of the premium paid for this upgrade. **We** will settle any valid claim, provided the incident occurred before the date that the cancellation became effective.

4. Claims fraud:

In order to prevent and detect fraud TSB and the **insurer** may at any time share information about **you** with other organisations and public bodies including the police. It is **your** responsibility to ensure that all **insured persons** are aware of this condition. If **your** claim is in any way dishonest or exaggerated **we** will not pay any costs or benefits under this **policy** and **we** may cancel **your policy** immediately and backdate the cancellation to the date of the fraudulent claim. **We** may also report **you** to the police and/or take legal action against **you**.

7. **You** must tell **us** as soon as possible after becoming aware of any legal proceedings, summons, prosecutions or any other circumstances which may lead to a claim under this **policy**. **You** must send **us** every communication relating to a claim as soon as reasonably possible.

11. If, at the time of an incident which results in a claim under this **policy**, there is any other insurance covering the same loss, damage, expense or liability, **we** are entitled to approach that insurer for a contribution towards the claim, and will only pay **our** share. This condition does not apply to the 'Accidental death or permanent disability' section or 'Medical inconvenience' benefit under the 'Emergency medical and associated expenses' section.
12. **We** are entitled to take over and carry out in **your** name the defence or settlement of any legal action. **We** may also take proceedings at **our** own expense and for **our** own benefit, but in **your** name, to recover any payment **we** have made under this **policy** to anyone else.
13. If **you** make a medical claim **you** may be asked to provide consent to enable **us** to access **your** medical records. This will help the treating **doctors**, and **us**, to provide **you** with the most appropriate treatment and assess whether cover applies. If **you** do not agree to provide this **we** will not deal with **your** claim.
14. **We** can, at any time and after taking a fair and reasonable view, but no more than once in any 6 month period, make changes to **your policy** terms and conditions, to reflect changes in **our** expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses.

When doing so **we** will only consider one or more of the following:

- a) **our** experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature.
- b) information reasonably available to **us** on the actual and expected claims experience of insurers of similar products.
- c) widely available economic information such as inflation rates and exchange rates.

Additionally, **we** can, at any time and after taking a fair and reasonable view, make changes to **your policy** terms and conditions:

- a) to reflect changes (affecting **us** or **your policy**) in the law or regulation or the interpretation of law or regulation, or changes in taxation;
- b) to reflect decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice, with which **we** intend to comply;
- c) in order to make **your policy** clearer and fairer to **you** or to rectify any mistakes that may be discovered in due course.

Changes (together with the reasons for such changes) will be notified to **you** in writing at least 30 days in advance.

15. TSB may cancel this **policy** on **our** behalf and may offer cover with another provider. If this happens TSB will contact **you** by sending 30 days' notice to **your** last known postal and/or email address.

When do you need to tell us?

When you open the bank account or before booking any trip.

If **you** wish **us** to consider covering **medical conditions** **you** have that are not shown on the 'Accepted conditions' list, **you** need to contact **us** when **you** open the **bank account** and/or before booking any **trip** (whichever is later).

When **you** call **us**, **we** will assess **your** medical condition(s) and tell **you** whether or not **we** are able to cover the condition(s) and if **we** are able to, whether **you** will need to pay an additional premium.

Accepted conditions.

If these are the only **medical conditions** **you** have and none of the restrictions mentioned apply, **you** will be automatically covered by this **policy** and **we** do not need to know about them.

Data Protection – Privacy Notice.

Personal Information.

We collect and use personal information about **you** so that **we** can provide **you** with a **policy** that suits **your** insurance needs. This notice explains the most important aspects of how **we** use **your** information but **you** can get more information about the terms **we** use and view **our** full privacy **policy** at **www.aviva.co.uk/privacypolicy** or request a copy by writing to **us** at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester LE7 1PD.

The data controller responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include TSB Bank PLC who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers **we** use.

Personal information we collect and how we use it.

We will use personal information collected from **you** and obtained from other sources:

- to provide **you** with insurance: **we** need this to decide if **we** can offer insurance to **you** and if so on what terms and also to administer **your** **policy**, handle any claims and manage any renewal,

- to support legitimate interests that **we** have as a business.
We need this to:
 - manage arrangements **we** have with **our** insurers, reinsurers and brokers **we** use, and for the detection and prevention of fraud,
 - help **us** better understand **our** customers and improve **our** customer engagement. This includes profiling and customer analytics which allows **us** to make certain predictions and assumptions about **your** interests, make correlations about **our** customers to improve **our** products and to suggest other products which may be relevant or of interest to customers,
- to meet any applicable legal or regulatory obligations: **we** need this to meet compliance requirements with **our** regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
- to carry out other activities that are in the public interest: for example **we** may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members **you** wish to insure on a **policy**. **If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.**

The personal information **we** collect and use will include name, address, date of birth and financial information. If a claim is made **we** will also collect personal information about the claim from **you** and any relevant third parties. **We** may also need to ask for details relating to the health or any unspent offences or criminal convictions of **you** or somebody else covered under **your policy**. **We** recognise that information about health and offences or criminal convictions is particularly sensitive information. **We'll** ensure that **we** only use that information where **we** need to for **our** insurance purposes (including assessing the terms of **your** insurance contract, dealing with changes to **your policy** and/or dealing with claims).

There may be times when **we** need consent to use personal information for a specific reason. If this happens **we** will make this clear to **you** at the time. If **you** give **us** consent to using personal information, **you** are free to withdraw this at any time by contacting **us** – refer to the “Contacting **us**” details below. Please note that if consent to use this information is withdrawn **we** will not be able to continue to process the information **you** gave **us** for this/these purpose(s). This would not affect **our** use of the information where consent is not required.

Of course, **you** don't have to provide **us** with any personal information, but if **you** don't provide the information **we** need **we** may not be able to proceed with **your** application or any claim **you** make.

Some of the information **we** use as part of this application may be provided to **us** by a third party. This may include information already held about **you** within the Aviva group, including details from previous quotes and claims, information **we** obtain from publicly available records, **our** trusted third parties and from industry databases, including fraud prevention agencies and databases.

Automated decision making.

We carry out automated decision making to decide whether **we** can provide insurance to **you** and on what terms, deal with claims or carry out fraud checks. In particular **we** use an automated underwriting engine to provide a quote for this product, using the information **we** have collected.

How we share your personal information with others.

We may share **your** personal information:

- with the Aviva group, **our** agents and third parties who provide services to **us**, TSB Bank PLC and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help **us** administer **our** products and services,

- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,

- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will use **your** data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep **your** data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations **we** share information with may be located outside of the European Economic Area (“EEA”). **We**’ll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect **your** privacy rights. For more information on this please see our Privacy Policy or contact us.

How long we keep your personal information for.

We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes.

Your rights.

You have various rights in relation to your personal information, including the right to request access to your personal information, correct any mistakes on our records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests, including profiling and marketing, ask not to be subject to automated decision making if the decision produces legal or other significant effects on you, and data portability.
