Mobile Phone Insurance.

Why you won't be lost if you lose your phone.

Good news. Your Silver account comes with Mobile Phone Insurance and your phone(s) are insured to cover you wherever you are in the world. Repaired or replacement phones will only be sent to a UK address.

Your insurance, administered by Lifestyle Services Group Limited (LSG) and underwritten by Assurant General Insurance Limited, covers one phone for sole Silver account holders, while joint account holders can insure up to two phones at the same address. LSG will repair or replace your handset up to a maximum value of £2,000 (including VAT) if your phone is lost, stolen, damaged or suffers breakdown (including faults).

LSG will repair the mobile phone (where possible) or replace it with a mobile phone of the same make, model and memory size. If we cannot do this you will be given a choice of models with an equivalent specification. Replacements may be supplied from remanufactured (not brand new) stock.

You're even protected against unauthorised network charges made on a lost or stolen phone, for up to 24 hours from the point of discovery of the incident:

- Up to £300 (including VAT) per successful claim for Pay as You Go phones.
- Up to £1,500 (including VAT) per successful claim for airtime contract phones.

There's a £100 excess per successful claim for claims relating to an Apple iPhone model and a £50 excess per successful claim relating to all other handsets.

How to make a claim

If your phone is lost or stolen	If your phone is damaged
<ul style="list-style-type: none">• Tell your airtime provider about any lost or stolen mobile phone as soon as you can.• Unauthorised network charges are only covered from the point your mobile phone is lost or stolen and for up to 24 hours after you discover the loss or theft. If you don't tell your airtime provider within 24 hours you will be responsible for any further charges.• Tell the Police about any lost or stolen mobile phone as soon as you can and obtain a Police reference number.• You should register your claim as soon as you can upon discovering the incident.• Make your claim by calling the Silver Membership Services.	<ul style="list-style-type: none">• Report the incident to us by calling Silver Membership Services.• If we need you to send your phone to us, we'll let you know.

£50 interest-free Arranged Overdraft.

Preferential overdraft terms for Silver account holders

As a Silver account holder you can benefit from a £50 interest-free Arranged Overdraft, subject to application and approval. This means you can borrow up to £50 without paying any overdraft interest. If you already have an Arranged Overdraft in excess of this, the first £50 will now automatically be interest-free.

We may also be able to extend your existing Arranged Overdraft limit, although you'll pay interest on any increased amount over £50. If you go over your Arranged Overdraft, we may let you cover these payments by granting you an Unarranged Overdraft. There is interest to pay for using an Unarranged Overdraft, which you'll find in our Banking Charges Guide.

All overdrafts are subject to a review of your circumstances and are repayable in full on demand.

How does my overdraft compare?

A good way to compare the cost of our overdraft with other overdrafts or other ways of borrowing is to look at the APR. The APR shows the cost of borrowing over a year. Our Representative APR is 55.0% variable. This is based on an assumed Arranged Overdraft of £1,200 where the first £50 is interest-free.

Please note that we don't charge you for Mobile Banking but your mobile operator may charge you for some services, please check with them. Mobile services may be affected by phone signal and functionality.

Breathing space with the grace period

Our grace period means that you have until 10pm (UK Time) to pay in enough money to avoid any overdraft interest you may incur that day. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Mobile Banking, Internet Banking or Telephone Banking or pay in cash over the counter in branch.

We'll register you for Limit Alerts when you open your Silver account or whenever you provide us with a mobile phone number. To register for other text alerts, or to change your existing text alerts just log in to Internet Banking, call us on **03459 758 758** or visit us in branch.
