

# Bathgate Pop-up Community Engagement summary.

**We're closing our Bathgate Pop-up on 10 July 2025.**

## **What you need to know.**

In our Branch Review we've published details of this closure, how we can support you through the changes and other ways you can bank with us. You can read this at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)

We've also written to customers who use this Pop-up, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the Pop-up closure takes place. This makes sure we have time to talk with them about banking options, especially customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This summary explains who we contacted in the local community and any feedback we received about the closure.

## **Who we contacted.**

We've shared key information on this closure with the members of the local community shown below. This included how customers' use of the Pop-up has changed, what TSB branches are nearby, and how we're working with the Post Office to provide other ways to bank with us. Visit [tsb.co.uk/postoffice](https://tsb.co.uk/postoffice) for more information.

- The office of the local MP, Kirsteen Sullivan
- The office of the local MSP, Fiona Hyslop
- The leader and CEO of West Lothian Council
- The councillors for the Bathgate Ward
- The local Post Office
- The local Citizens Advice Service

## **What feedback we received.**

The MP asked if she could share the information that we provided on social media.

## **What we've done.**

TSB informed the MP that she was free to share the news with her constituents. We also highlighted that we would be contacting affected customers directly.
