

Edinburgh, Corstorphine Branch Community Engagement

We're closing our Edinburgh, Corstorphine branch on 8 June 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

What feedback we received

TSB met with the council leader, a local councillor and the offices of the local MSP and MP to discuss their concerns about the impact of the closure on vulnerable customers. The leader of the council also raised concerns about the data published by TSB to justify the closure.
