

The plain and simple facts.

Representative example

Representative **21.9% APR** (variable). Based on you borrowing **£1,000*** over 12 months and a purchase rate of **21.95% p.a.** (variable).

*Borrowing is subject to status. Credit limits, interest rates and promotional periods will vary based on your individual circumstances.

It's always good to know exactly where you stand. So we've put together a table to give you a clear summary of all the key credit card features. For more detailed information, take a moment to read the product terms and conditions.

SUMMARY BOX – TSB Student Card				
The information contained in this table summarises key product features and is not intended to replace any terms and conditions.				
APR	Representative 21.9% APR (variable)			
Interest rates		Introductory rate	Monthly rate	Annual Rate (Variable)
	Purchases	Not applicable	1.67%	21.95%
	Cash Withdrawals	Not applicable.	2.08%	27.95%
	Balance Transfers	Not applicable.	1.67%	21.95%
	The Credit Card’s interest rate is variable and is based on an assessment of the risk of lending to you. Your interest rate could change at any time as explained in your agreement. We may apply the standard interest rate during any special promotion period to any transaction if any month you do not make at least your minimum payment by the minimum payment date or if you exceed your credit limit at any time.			
	Interest-free period (Post Introductory Period)	• Maximum 56 days for purchases if you pay the full balance shown on your previous and current statement on time. • There is no interest-free period for balance transfers and cash withdrawals.		
Interest charging information	You will not pay interest on new purchases if you pay the full balance shown on your previous and current statement on time. Otherwise, the period over which interest is charged is as follows:			
		From	Until	
	Purchases	date debited to your account	paid in full	
	Cash Withdrawals	date debited to your account	paid in full	
	Balance Transfers	date debited to your account	paid in full	
Allocation of payments	If you don’t pay your balance in full we will allocate payments to balances with the highest interest rate before balances with lower interest rates. See section 6.1 of the terms and conditions for full details.			
Minimum repayment	An amount equal to the total of interest, default charges and 1% of the balance shown in your statement (minimum £5, or the full balance if less than £5). If you only make the minimum payment it will take longer and cost more to clear your balance.			
Credit limit	Minimum credit limit		£500.	
	Maximum credit limit		£1,000 Subject to Status.	
Fees	No annual fee.			
Charges	Cash withdrawals		3% or minimum £3. You can use 50% of your credit limit for ATM cash withdrawals (as long as the withdrawal doesn’t put you over your credit limit).	
	Balance Transfers		5% of the amount of each balance transfer.	
Foreign usage	Payment Scheme Exchange Rate		Indicative rates can be found at www.mastercard.com/global/currencyconversion	
	One or more of the following may apply:			
	Non-sterling transaction fee		2.95% of the transaction value (in pounds). This fee applies to all transactions when TSB converts a foreign currency into pounds.	
	Cash Withdrawal fee		3% of the transaction value (in pounds), with a minimum fee of £3. This fee applies to all cash withdrawals made abroad. If you withdraw cash in a foreign currency and TSB converts the foreign currency into pounds, then both the Cash Withdrawal fee and the Non-sterling transaction fee will apply.	
Default charges	Late Payment charge		£12.	
	Over limit charge		£12.	

These details are correct as at March 2025.

Repaying your balance

Once your account is open, you can set up a Direct Debit for the full balance, the minimum payment or a fixed amount over the minimum payment by calling **0345 603 1802**. Lines are open 24 hours a day, 7 days a week.

Credit cards are designed to be a flexible form of borrowing. Paying the minimum amount every so often can help you manage your money more effectively, although we would not recommend that you make only the minimum payments for a long period of time once your promotional offers have ended because you'll pay more in interest and take longer to repay. If you pay more in interest and charges than towards the amount you have borrowed for a long period of time, we may be required to take steps to help you, which may include stopping further transactions on your card. Please see section 20.20 of the credit card agreement for more information.

Here's an example which shows you how paying a little bit more every month could save you interest, and help you repay your borrowing more quickly.

For a purchase of £1,000 on your TSB Student Card

Monthly payment	If you pay the minimum payment each month	If you pay £50 each month
How much interest will you be charged in the first year?	£191.46	£166.17
How much interest will you be charged in the second year?	£169.43	£71.46
How long would it take to clear the balance?	18 years 8 months	2 years 2 months

The above example assumes the following:

- The transaction takes place on 1 January and you make no further transactions.
- You always make the payment each month on the 15th.
- Your statement is produced on the 1st of each month.
- You are on the best rate available.
- Your interest rates do not change.
