

Cross Street Branch Closure Review

Our Cross Street branch is closing in December

We've put together this guide to share with you how we've made the decision and let you know about other ways to bank with us.

We've noticed the way our customers like to do their everyday banking is changing. And we've used this information to help us decide what changes to make.

To make sure we're offering our customers the right services in the right places, we're investing £250 million in our branches and digital services. We'll be improving some branches to offer better digital technology and opening some new ones, but this does mean closing some too.

Following a careful and full review, we'll be closing our Cross Street branch in December. There are a number of other branches you can visit, the closest one will be TSB's new flagship branch at 21 Market Street, Arndale Centre, Manchester, M1 1WR which opens in December. You can also use our branch at 574 Stockport Road, Longsight, Manchester, M13 0RQ. This guide will tell you more about the review and our Partners are always on hand if you'd like to speak to them in person.

Cross Street Branch Closure Review

We talked to the local community about closing our Cross Street branch

We have been speaking to the local community about the impact of the closure of Manchester, Cross Street and how we can help customers with this transition.

Who we spoke to	What was said
<ul style="list-style-type: none">• The office of the local Member of Parliament, Lucy Powell MP• Representatives of the City Centre Ward of the Manchester City Council• Manchester Chamber of Commerce• Local Federation of Small Businesses• Local Citizens Advice Bureau	<ul style="list-style-type: none">• TSB was asked about the impact of the closure on the area and on those customers who are most vulnerable to branch closures.• TSB was questioned on the distance to the nearest ATM.• TSB was also asked about what the closure will mean for TSB Partners who work at the Manchester, Cross Street branch.

What we've done

- We've written to our customers to let them know about the closure and the different ways they can bank with us. This information is available in our Manchester, Cross Street branch, as well as online.
- TSB has an arrangement with the Post Office. Personal customers are able to use any Post Office branch which offers financial services, including the local branch on Spring Gardens, to check their balance, make cash withdrawals and make cash and cheque deposits.
- Partners in our Manchester, Cross Street branch have been chatting to customers, including those who are most vulnerable to branch closures – answering questions, discussing concerns, giving advice on alternative travel arrangements and how they can get to other branches and alternative ATMs. TSB is also offering customers 'Get Me Started' appointments, which help customers register for and use online, mobile and telephone banking.
- There will be no job losses as a result of this change.
