Cashback Terms and Conditions

Opening a new account includes changing an existing TSB account, other than a Classic account, to a Spend & Save or Spend & Save Plus account.</p> <p>1.2 Your account must be open when the cashback is paid. We won't pay cashback after your account is closed, even if you'd made the eligible number of payments in the previous month.</p>
How do I earn the £5 cashback?	<p>2.1 Spend & Save – you must make 30 or more payments using your debit card each calendar month to earn £5 cashback. You can earn cashback for the first six calendar months, which includes the month your Spend & Save account is opened.</p> <p>2.2 Spend & Save Plus – you must make 30 or more payments using your debit card each calendar month to earn £5 cashback. You will earn cashback until you close your account or we end the offer in accordance with these terms and conditions.</p> <p>2.3 We'll count payments based on the date the money is taken from your account. This is usually within 5 working days from the day you make the debit card transaction, but sometimes can be longer. You can tell when money is taken from your account by looking at your transactions online or on your statement.</p> <p>2.4 If you don't make enough qualifying payments in a calendar month we won't pay any cashback.</p> <p>2.5 If you have more than one Spend & Save or Spend & Save Plus account (for example a Spend & Save in your own name and Spend & Save Plus account in joint names) and you make the relevant number of debit card payments on each account, you will earn the £5 cashback on each account.</p> <p>2.6 If you have an account in joint names, you need to make 30 transactions per month between you, not each.</p>
