

# Dalkeith Branch Community Engagement

**We're closing our Dalkeith branch on 11 February 2021.**

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

## Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit [postoffice.co.uk/branch-finder](https://postoffice.co.uk/branch-finder) for more information.

## What feedback we received

The local MSP was concerned about the impact on the town centre and raised concerns about "regular users" data and whether this was an "accurate barometer" of how busy a branch was. He also felt many vulnerable customers would prefer a face to face local banking service to internet or mobile banking.

A local councillor wrote to TSB raising concerns about a lack of digital connectivity and the impact that the closure would have on deprived families and older customers.

## What we've done

We confirmed we were following industry guidelines in publishing the data we did around the closure. We also highlighted how TSB will proactively engage vulnerable customers ahead of the closure to help them find alternative ways to bank with us. We also briefed the MSP on our plans for a mobile adviser and he suggested a number of potential locations.

In a response to the local councillor we highlighted the steps we are taking to support vulnerable customers, including our plans to introduce a mobile adviser to the area.
