

Normanton Road, Derby Branch Review

Our branch at Normanton Road is closing on 13 December 2019.

What you need to know

We know the way many of our customers do their banking is changing. 2.5 million of our customers now choose to bank online, with over 1 million accessing their account on our mobile app. To make sure we can respond to the changing needs of our customers, we're continually looking at how we can invest in our branch and digital services so we have the right branches in the right locations.

We've looked carefully at our Normanton Road branch at 336 Normanton Road, Derby, Derbyshire, DE23 6WF, and how it is used, and we've taken the decision to close it. This Branch Review will explain the reasons why we're closing this branch and other ways you can bank with us. And our Partners are always on hand if you'd like to chat to them in person.

Local branches, local decisions

Before we reach a decision to close a branch, as part of our commitment to the Access to Banking Standard, we carry out a full local review to understand the impact the closure may have on the community. The review includes:

- how customers use the branch now
- the current in-branch services available
- the impact on customers who may need additional support
- local banking alternatives such as Post Office® branches
- how customers use of the branch has changed over time
- other ways our customers choose to bank with us
- whether we own or lease the branch building
- the public transport services available in the area

We will also be talking with key members of the local community about the closure and we will publish details in our Community Engagement summary six weeks before the closure. You can read this Branch Review and the Community Engagement summary at tsb.co.uk/our-branches
