

Dundee, Craigiebank Branch Community Engagement

We're closing our Dundee, Craigiebank branch on 13 January 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Stewart Hosie
- The office of the local MSP, Shona Robison
- The Leader and Chief Executive of Dundee City Council
- The councillors for the East End ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MSP raised concerns about the closure and asked for a meeting to discuss our decision in more detail. The MSP wanted to understand the Lending Standards Board Access to Banking Standard process in more detail. The MSP indicated that Craigiebank was a busy part of the city before Covid-19 and informed us that she was disappointed with the decision, especially given the likelihood that the unit would remain empty for some time. While the MSP stressed she appreciated the commercial pressures and customer behaviour change, she remained concerned about the impact on vulnerable customers.
