Our branch at Birmingham, Great Hampton Street is closing on 28 April 2020.

What you need to know

The way our customers bank with us has changed and continues to change. In the last two years we’ve seen a 17% decrease in the number of overall transactions in our branches. 2.5 million of our customers now choose to bank online, with over 1 million accessing their account on our mobile app. We want to make sure we meet the future needs of our customers, as well as having the right number of branches. So while we continue to invest in existing and new services and technology, this will mean closing some branches.

We’ve looked carefully at our Birmingham, Great Hampton Street branch at 22A Great Hampton Street, Birmingham, B18 6AH and how it is used, and we’ve taken the decision to close it. This Branch Review will explain the reasons why we’re closing this branch and other ways you can bank with us. And our Partners are always on hand if you’d like to chat to them in person.

• local banking alternatives such as Post Office® branches
• other ways our customers choose to bank with us
• how customers use of the branch has changed over time
• the impact on customers who may need additional support
