Local branches, local decisions

Before we reach a decision to close a branch, as part of our commitment to the Access to Banking Standard, we carry out a full local review to understand the impact the closure may have on the community. The review includes:

- how customers use the branch now
- the current in-branch services available
- the impact on customers who may need additional support
- local banking alternatives such as Post Office® branches
- how customers use of the branch has changed over time
- other ways our customers choose to bank with us
- whether we own or lease the branch building
- the public transport services available in the area

We will also be talking with key members of the local community about the closure and we will publish details in our Community Engagement summary six weeks before the closure. You can read this Branch Review and the Community Engagement at tsb.co.uk/our-branches
