

Holt Branch Community Engagement

We're closing our Holt branch on 17 June 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Duncan Baker
- The councillors for the Holt Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

TSB was contacted by the local MP who wanted to discuss a number of issues relating to the closure of the branch. These issues included the reasons for the decision, how TSB would mitigate the impact on customers and how staff would be supported.

What we've done

TSB met with the MP and discussed the reasons for the closure and what services would be available to customers through the Post Office® located 0.1 miles from the branch. TSB explained our goal of avoiding compulsory redundancy and also outlined to the MP its plans to introduce a mobile adviser into the area to retain face to face banking.
