

Huntly Branch Community Engagement

We're closing our Huntly branch on 24 February 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Richard Thomson
- The office of the local MSP, Alexander Burnett
- The Leader and Chief Executive of Aberdeenshire Council
- The councillors for the Huntly, Strathbogie and Howe of Alford Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses

- Lending Standards Board

What feedback we received

TSB was contacted by the local MSP who wanted to raise concerns about this closure. He wanted to understand in more detail the rationale for the closure and how we would support vulnerable customers. He also asked about how colleagues in branch will be affected.

What we've done

TSB met with the local MP and MSP and we highlighted how TSB will proactively engage vulnerable customers ahead of the closure to help them find alternative ways to bank with us and set out TSB's plans to create a mobile adviser service in Huntly and took views from the MP and MSP on suitable locations. We also indicated our intention to achieve as many role reductions as possible through voluntary redundancy.
