

Branch opening hours in East Midlands.

From July 2019, some of our branches in East Midlands are reducing their hours.

We know the way our customers do their everyday banking is changing. To make sure we meet the future needs of our customers and local communities, we're looking at how we can make changes to invest in our branch and digital services. This includes adjusting the hours of our quieter branches, as well as re-fitting some branches and opening new ones.

If your branch has an external cash machine, we will continue to offer this service 24/7, even on the days the branch is not open. You can also use the same counter services in any of our other branches.

How we made this decision

Our decision to change our opening hours was made following a detailed analysis of:

- how our customers are using the branch, including how this has changed
- other ways our customers bank with us
- assessment using local knowledge of alternatives available to customers, including proximity of our nearest branch
- impact on our customers including those who may need additional support
