## What we've done

- We've written to our customers to let them know about the closure, why we have come to this decision, and the different ways they can bank with us. This information is available in our Haymarket branch, as well as online
- Partners in our Haymarket branch have been speaking with customers, including those who are most vulnerable to branch closures – answering questions, discussing concerns, giving advice on alternative travel arrangements and how they can get to other branches and alternative ATMs. TSB is also offering customers 'Get Me Started' appointments, which help customers register for and use online, mobile and telephone banking
- We confirmed and explained reasons for any changes to opening hours in our network in the wider area and made clear that the nearest TSB branch to Haymarket has received significant investment and is open six days a week
- We have confirmed that there will be no job losses as a result of the closure of the branch
