## What was said

- TSB was asked about the long term future of the branch and the rationale behind the change in opening hours
- TSB was asked about how it was seeking to maintain customers access to face to face banking services and facilities like ATMs into the future

## What we've done

- We've written to our customers to let them know about the change in opening hours, why we have come to this decision and the different ways they can bank with us. This information is available in branch as well as online
- We have confirmed that there are no current plans for further changes to our branch network, but that for the branch to be viable in the long-term, we will need to see customers choosing to bank there
- We have outlined how TSB is determined to make significant efforts to keep branches with low footfall open by reducing opening hours as part of a concerted effort to reduce costs so that we can protect our physical presence
