

Lochee Reduced Opening Hours Review.

We have talked with the local community about the reduced opening hours in our Lochee branch on 29 July 2019.

Who we spoke to

- The office of the local Member of Parliament, Stewart Hosie MP
- The offices of the constituency and regional Members of the Scottish Parliament
- Local ward Councillors
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Lending Standards Board - the governing body responsible for overseeing the Access to Banking Standards

What was said

- TSB was asked about the impact of these changes on those customers who require additional support and assistance
- TSB was asked about the long term future of the branch and the rationale behind the change in opening hours
- TSB was asked about how it was seeking to maintain customers access to face to face banking services into the future
- TSB was asked what proportion of customers using the Lochee branch were domiciled there
- TSB was asked about options for making use of the branch facilities outside of the new opening times
- TSB was asked how it would encourage continued footfall at the branch

What we've done

- We've written to our customers to let them know about the change in opening hours, why we have come to this decision and the different ways they can bank with us. This information is available in branch as well as online
- We have confirmed that there are no current plans for further changes to our branch network, but that for the branch to be viable in the long-term, we will need to see customers choosing to bank there
- We have outlined how TSB is determined to make significant efforts to keep branches with low footfall open by reducing opening hours as part of a concerted effort to reduce costs so that we can protect our physical presence
- We have provided local Councillors with details of the usage of the branch both by customers domiciled with the branch and those from outside the area
- We have explained the restrictions which mean that the bank is unable to make the bank available for some usages outside of the new opening times
- We explained how TSB is communicating the importance of continued footfall to customers
