

Kilsyth Branch Community Engagement

We're closing our Kilsyth branch on 18 May 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Stuart MacDonald
- The office of the local MSP, Jamie Hepburn
- The Leader and Chief Executive of North Lanarkshire Council
- The councillors for the Kilsyth Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP and MSP wrote to TSB to raise concerns about the closure, asking for a meeting to discuss these in more detail. They had concerns about TSB closing a last branch in town and the impact this would have on vulnerable customers. They were also concerned about business customers who use the branch for cash deposits.

What we've done

We held a joint meeting with the MP and MSP and explained how customer behaviour was changing and that 83% of our personal and 85% of our business customers, now choose to use another branch or channel instead. We also explained how we would be proactively engaging customers in branch in order to discuss options and explain the alternative ways TSB would support customers to continue to bank with us. This would also include a telephone service that would be available directly from the nearest branch in Cumbernauld. We highlighted how fewer than 10 business customers use the branch for their everyday banking and explained our ambition to achieve most of the role reductions across the country using voluntary redundancy.

We're here to help

We're here to support customers through the changes, especially those who would benefit from extra help with their banking. We'd encourage you to make sure you're set up to bank with us using one of the options below, so you can access your banking from home or elsewhere 24/7:
