

Charity account cashback

Terms and conditions

Terms and conditions:

1. These terms and conditions apply to the cashback offer on your business current account ("Account") switched to TSB as part of Royal Bank of Scotland's (RBS) and NatWest's Business Banking Switch scheme ("RBS scheme").
2. £13,125 cashback will be paid for switching your Account to us, subject to the terms and conditions below.
3. The cashback will only be paid after the relevant business current account that qualifies for the RBS scheme is fully switched over to TSB via the Current Account Switch Service ("CASS"). Opening a charity current account with TSB alone does not qualify for the cashback.
4. £13,125 cashback will be paid within 30 days after the 3-month anniversary of the completion of the account switch through CASS for that account, providing the account is still open and we have validated your switch with RBS/NatWest. The total cashback amount is £13,125. And if the average monthly balance across your TSB Charity and savings accounts in the first 3 months after your switch is over:
 - £50,000 we'll increase your first payment by £200, so your total cashback is £13,325.
 - £100,000 we'll increase your first payment by £500, so your total cashback is £13,625.
 - £200,000 we'll increase your first payment by £1,000, so your total cashback is £14,125.
5. The payment of the cashback will be to the account you have opened with TSB.
