

Maryport Branch Community Engagement

We're closing our Maryport branch on 10 May 2022.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit tsb.co.uk/postoffice for more information.

- The office of the local MP, Mark Jenkinson
- The councillors for the Maryport North Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP was concerned about the impact of the closure on the local community and stressed that the closure would leave Maryport with one other branch – a local building society. He was concerned about the services this branch offered and the impact that the closure of the TSB could have on local customers who are unable to travel or use mobile or internet banking.

What we've done

TSB met with the MP and explained the reasons for our decision and discussed the alternative ways our customers could bank with us. We stressed that our customers could access many everyday banking services at the local Post Office®, which is 0.2 miles from the closing branch and also highlighted the direct phone number for the Whitehaven branch.

We stressed that customers would be supported to switch to the local building society if they are unhappy with the alternative ways they can bank with TSB.

We followed up on the meeting by writing to the MP setting out the process we would be undertaking to support customers.
