

### Regular Overpayment Request

Please use this form if you want to **start**, **change** or **cancel** a regular overpayment. A regular overpayment is fixed, so if your mortgage rate changes your total payment will change too.

Please remember early repayment charges may apply and details are in your mortgage offer.

Your name(s) \_\_\_\_\_  
\_\_\_\_\_

Your mortgage account number \_\_\_\_\_ (14 digits)

Your contact telephone number \_\_\_\_\_  
(we will only contact you by telephone if we need clarification of your request)

- I want to **start** making regular monthly overpayments of £\_\_\_\_\_ in addition to my normal monthly payment
- I want to **change** my regular monthly overpayment to £\_\_\_\_\_ in addition to my normal monthly payment

We will use your overpayments to pay towards each part (sub-account) of your loan in the same proportions as we apply your full monthly payments. Complete the table below only if you want your overpayments paid to one part or if you want it split differently to the way that we'll do it. If you have more than six parts, you can write in the space to the right of the table.

Part (sub-account) number	Regular extra payment
01	£
02	£
03	£
04	£
05	£
99	£
Total	£

- I want to **cancel** the existing monthly overpayment and only pay the normal monthly payment.

We'll write to confirm the date your new payment will start.
