

Murton Branch Community Engagement

We're closing our Murton branch on 10 March 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Grahame Morris
- The Leader and Chief Executive of Durham Council
- The councillors for the Murton Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP contacted TSB to stress his opposition to the closure and highlighted the important role the branch plays locally and that many elderly and vulnerable customers rely on the branch. He called on TSB to reconsider the decision to close the branch. He stressed the distance to the nearest alternative branch in Sunderland as being a key challenge for elderly and vulnerable customers.

What we've done

TSB met with the MP's office to discuss the closure. We highlighted that customers can telephone other branches directly, which would limit the need to travel. We stressed that TSB would be introducing a mobile adviser in Murton to provide local access to face to face financial advice and we also highlighted the everyday banking tasks that could be undertaken at the Post Office®. We stressed that if any constituents contact the MP's office with concerns, that we would appreciate it if their details could be passed onto TSB so that we can provide appropriate support. We also emphasised that TSB would be proactively calling all vulnerable and potentially vulnerable customers at the branch, as well as those who exclusively use the branch, to inform them of the changes we are making.
