

Netherfield Branch Community Engagement

We're closing our Netherfield branch on 29 April 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Tom Randall
- The Leader and Chief Executive of Gedling Council
- The councillors for the Netherfield Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

TSB received feedback from the leader and deputy leader of the local authority, and the local MP. All were concerned about the impact of the branch closure on the local community, particularly vulnerable customers. They had concerns about the impact that this closure would have on the area and felt disappointed at the loss of another bank branch. They stressed that TSB should work to minimise the impact and work to ensure that some form of banking provision is retained within the area. They stressed the need for local residents to be able to access in person banking.

What we've done

TSB has met with the local MP and local authority on several occasions to discuss the impact of the closure. TSB outlined the reasons for our decision and explained what it will be doing to support customers. TSB, recognising the arguments made by local representatives and the need to ensure local residents have access to face to face banking support, plans to introduce a mobile adviser into the area – offering face to face banking support to local residents. Local representatives felt that, although disappointed that the branch will close, this is a positive step on behalf of TSB and were keen to work with TSB to ensure customers are aware of the new service. We remain in discussion.
