

# Redcar Branch Community Engagement

We're closing our Redcar branch on 4 May 2022.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

## Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit [tsb.co.uk/postoffice](https://tsb.co.uk/postoffice) for more information.

## What feedback we received

A local councillor contacted TSB to express concerns that many local residents are unable to access the internet and therefore use online or mobile banking.

## What we've done

TSB wrote to the councillor to assure him that there are a number of ways customers can continue to bank with us including the Post Office® and telephone banking. We also confirmed our plans to introduce a Pop-up banking service, which will deliver a face to face service for TSB customers in the town one day per week. We assured him that we would be taking a number of steps to make customers aware of the changes, including proactive discussions with them to identify any support they require.
