

# Renfrew Branch Community Engagement

**We're closing our Renfrew branch on 18 May 2021.**

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

## Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit [postoffice.co.uk/branch-finder](https://postoffice.co.uk/branch-finder) for more information.

## What feedback we received

The MP wrote to TSB to express concerns about the closure. He challenged the data used to justify the decision and raised questions about the impact on vulnerable customers, as well as asking whether the process would involve any redundancies. The MSP also wrote to TSB expressing concerns about the closure, including about the impact on vulnerable customers.

## What we've done

We also detailed our approach to staff reductions across the business. We also set out the process we follow under the Access to Banking Standard.
