

Skelmersdale Branch Community Engagement

We're closing our Skelmersdale branch on 4 May 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Rosie Cooper
- The councillors for the Birch Green Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP wrote to TSB with concerns about the closure and highlighted issues that had been raised with her by constituents. Key concerns included the impact on vulnerable customers, lack of choice and the inability of some to use technology. She also expressed concerns about the degree to which social care workers rely on the branch.

What we've done

A TSB colleague visited the branch to discuss the concerns raised regarding access to services for social care workers. Following this we contacted Lancashire County Council's social care leads to alert them to the impending changes. We confirmed that every social worker who had visited the branch since we made this announcement had had a personal meeting to discuss the alternative options available – the majority agreed that the Pemberton branch (5.8 miles away from the Skelmersdale branch) is a suitable alternative. We also explained that where we cannot provide the support a customer needs, we will help them to switch to another bank.

We explained the reasons for our decision to the MP and also highlighted the alternative ways our customers can bank with TSB.
