

Skipton Branch Community Engagement

We're closing our Skipton branch on 5 May 2020.

In our Branch Review we've published details of how we've decided to close this branch and the local information we've gathered about the area. This was shared with our Partners and customers. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide everyday banking alternatives.

- The office of the local MP, Julian Smith
- The councillor for the Skipton North ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The MP's office and other local stakeholders were updated on the usage of this branch, local workshops and bespoke support in branch for customers and the alternative ways customers can continue to bank with TSB.

Any feedback we receive between publishing this summary and the branch closure date will be updated and included in this document.

What we've done

Partners have been talking with customers about the closure, in particular those customers who need additional support with the changes; answering questions, discussing concerns and giving advice on alternative travel arrangements and how they can get to other branches and alternative cash machines.

We'll be running workshops for all customers, which will cover:

- alternative ways for day-to-day banking
- how you can use your local Post Office® and the services available
- fraud awareness and how to stay safe and protect yourself and others
- support with bereavement or caring for a relative
- demonstrations on how to register for and use online, mobile and telephone banking. You can book a private appointment if you'd prefer which will cover everything included in the workshops

If you'd like to book an appointment or workshop, or have any questions about the changes, including accessibility in your nearest branch, come in and see us before we close. Or you can call us on **01756 399 998***.

Once this branch has closed, you can visit us at Keighley branch at 74 Towngate, Keighley, BD21 3QE, or call us on **01535 534 999***.
