

Uxbridge Branch Review

Our branch at Uxbridge is closing on 4 May 2022.

What you need to know

The way customers bank with us is changing with the vast majority of everyday transactions now being made digitally. Over 2.2 million of our customers now choose to bank online, and over 1.6 million use our Mobile Banking App. Even before COVID-19 customers were choosing other ways to bank with us, with 44% using services at our cash machines and 24% using a Post Office®. We have supported over 1.1 million customers through our online chat service and our customers continue to use our telephone and video banking services. We have also now introduced Mobile Money Confidence Experts in 40 communities across the country this year.

TSB remains committed to face-to-face services through a branch network that covers the whole country. 90% of our customers are within a 20-minute drive to their closest branch. However, we need to make sure our branches meet the current and future needs of our customers. So we've looked carefully at our Uxbridge branch at 24 Chequers Square, The Pavillion, UB8 1LN and how it is used, and we've taken the decision to close it. At this branch, 82% of our personal and 95% of our business customers also use another TSB branch or channel. In the last two years we've seen a 39% decrease in transactions at this branch, with only 1 customer visiting the branch regularly, who uses the branch and no other channel.

Below is a summary of some information we've gathered about how our customers use our Uxbridge branch.

| | | |
|---|---|---|
| 76% of our personal customers now use mobile, online or telephone banking. This has decreased by 1% in the last two years | 26% of our personal customers use services at our cash machines | 15% of our personal customers also use the Post Office® |
| 94% of our business customers now use mobile, online or telephone banking. This has increased by 8% in the last two years | 17% of our business customers use services at our cash machines | 11% of our business customers also use the Post Office® |

What does this change mean for you

We're here to help

We're here to support customers through the changes, especially those who would benefit from extra help with their banking. We'd encourage you to make sure you're set up to bank with us using one of the options below, so you can access your banking from home or elsewhere 24/7:

- Mobile Banking App – visit tsb.co.uk/mobile to download from your phone.
- Internet Banking – visit tsb.co.uk/online to create your account.
- Telephone Banking – call **03459 758 758** to set up and bank over the phone.

We're now able to support you with many services without the need to visit a branch. If you would like help with any of these services, please get in touch. You can talk to us online at tsb.co.uk/help or call us on **01895 810 993***. Or if you'd prefer, we can book telephone, video or face-to-face appointments to talk through all the ways we can support you, including:

- Banking with a trusted friend or family member.
- Support with bereavement or caring for a relative.
- Fraud prevention.
- How to register for mobile, online and telephone banking.
- Business banking.
- The local Post Office® services available.

If we cannot offer you an alternative that meets your needs, we will help you switch to an alternative provider. You can find out more about all the ways you can bank with us in our handy guide at tsb.co.uk/our-branches

Access to Banking Standard

Before we reach a decision to close a branch, as part of our commitment to the Access to Banking Standard, we carry out a full local analysis to understand the impact the closure may have on the community, which includes:

- How customers use the branch now.
- The current in-branch services available.
- Local banking alternatives such as Post Office® branches.
- Other ways our customers choose to bank with us.
- How customers use of the branch has changed over time.
- The impact on customers who may need extra support.
- Whether we own or lease the branch building.
- The public transport services available in the area.

We will also be talking with key members of the local community about the closure and we will publish details in our Community Engagement summary six weeks before the closure. To read a copy of this Branch Review online, and our Community Engagement summary, visit tsb.co.uk/our-branches
