

Wick Branch Community Engagement

We're closing our Wick branch on 16 March 2021.

In our Branch Review we've published details of this closure and how we can support you through the changes and the alternative services you can use. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Jamie Stone
- The office of the local MSP, Gail Ross
- The Leader and Chief Executive of Highland Council
- The councillors for the Wick and East Caithness Ward
- Local Chamber of Commerce
- Local Federation of Small Businesses
- Local Citizens Advice Bureau
- Post Office®
- Lending Standards Board

What feedback we received

The local MP wrote to TSB expressing concerns about the impact of the closure on the local community and vulnerable customers. He indicated his support for creating local hubs and asked TSB if this was something it would consider. Both the MP and Caithness Chamber raised concerns about the local Post Office®, which at the time of writing was closed following the retirement of the local Postmaster.

What we've done

TSB explained to the MP and Caithness Chamber how customer behaviour had changed and that the bank needed to respond to that. TSB explained we were in touch with the local Post Office® and it would reopen after a new Postmaster was appointed. We also confirmed our plans to launch a mobile adviser service in the town, delivering a face to face service to customers one day per week following the closure.
