

# Wigton Branch Review

Our branch at Wigton is closing on 23 June 2020.

## What you need to know

The way our customers bank with us has changed and continues to change. In the last two years we've seen a 17% decrease in the number of overall transactions in our branches. 2.5 million of our customers now choose to bank online, with over 1 million accessing their account on our mobile app. We want to make sure we meet the future needs of our customers, as well as having the right number of branches. So while we continue to invest in existing and new services and technology, this will mean closing some branches.

We've looked carefully at our Wigton branch at 20 High Street, Wigton, CA7 9NJ and how it is used, and we've taken the decision to close it. This Branch Review will explain the reasons why we're closing this branch and other ways you can bank with us. And our Partners are always on hand if you'd like to chat to them in person.

## Additional support for those who need it

We're working closely with customers and the community to provide extra support during these changes. We want to make sure that we also help customers who find travel difficult or need extra help with their banking.

Our team of specialist Mobile Local Bankers can guide you through the changes and help you find a banking alternative that's convenient for you. You will also have access to:

- tailored one-to-ones for alternative day-to-day banking
- support with bereavement or caring for a relative
- workshops that cover everyday banking options, such as Fraud prevention and Business Banking
- demonstrations on how to register for online, mobile and telephone banking
- workshops that explain the local Post Office® services available

If we cannot offer you an alternative that meets your needs, we will help you switch to an alternative provider.

## Local branches, local decisions

Before we reach a decision to close a branch, as part of our commitment to the Access to Banking Standard, we carry out a full local review to understand the impact the closure may have on the community. The review includes:

- how customers use the branch now
- the current in-branch services available
- local banking alternatives such as Post Office® branches
- other ways our customers choose to bank with us
- how customers use of the branch has changed over time
- the impact on customers who may need additional support
- whether we own or lease the branch building
- the public transport services available in the area

We will also be talking with key members of the local community about the closure and we will publish details in our Community Engagement summary six weeks before the closure. You can read this Branch Review and the Community Engagement at [tsb.co.uk/our-branches](https://tsb.co.uk/our-branches)
