

Wigton Branch Community Engagement

We're closing our Wigton branch on 23 June 2020.

In our Branch Review we've published details of why we've decided to close this branch and the local information we've gathered about the area. This was shared with our customers and Partners. You can view this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially for customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This Community Engagement summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted

We shared information with key members of the local community shown below about how customers' use of the branch has changed, what other TSB branches are nearby and how we are working with the Post Office® to provide banking alternatives. Visit postoffice.co.uk/branch-finder for more information.

- The office of the local MP, Neil Hudson
- The councillors for the Wigton and Woodside ward
- Local Citizens Advice Bureau
- The Local Chamber of Commerce
- The Local Federation of Small Businesses
- The Post Office®
- The Lending Standards Board

What feedback we received

The MP's office and other local stakeholders were updated on the usage of this branch, local workshops and bespoke support in branch for customers and the alternative ways customers can continue to bank with TSB.

Any feedback we receive between publishing this summary and the branch closure date will be updated and included in this document.
